**Sub:** Submission of Annual Return, (Form-IV) and information as prescribed in the given Format about Hazardous Waste for the period 2022-23 (01.04.2022 to 31.03.2023).

Dear Sir,

With reference to above mentioned subject, please find enclosed the Annual Returns, (Form-4) along with other information as prescribed in the given format about Hazardous Waste duly filled by us.

We would like to inform you, that we are strictly following all the rules and instructions as directed by Central Pollution Control Board as well as State Pollution Board (CECB) regarding Hazardous Waste. At present generated used oil is being collected in drum of capacity 200 Litre and are being stored at their designated place, by adopting proper safety procedures and same is being captively used for lubrication in Roller & Belt conveyors of our plant process, and if balance, is being sold to authorized agency for recycling, while generated Resin from DM plant of Power plant is also being safely collected in water filled PVC Cans and same is being utilized for energy recovery in power plant within premises. This is to inform you that at present we are not operating Coal Gasifier we are using furnace oil as a fuel in reheating furnac. Hence there is no generation of Gas Cleaning residue (Tarry Residue) for the above-mentioned period.

We hope that above reply will be in line of your requirement.

Thanking you

Yours Faithfully,

For, Shri Bajrang Power & Ispat Ltd., Gondwara Unit
