To,
The Regional Officer,
Chhattisgarh Environment Conservation Board,
New Office Building Ring Road No. 2 Tatibandh, Raipur (C.G.)

Sub: Submission of Annual Return, (Form-IV) and information as prescribed in the given Format about Hazardous Waste (for the period 2025-2026 (01.04.2025 to 31.03.2026).

Dear Sir,

With reference to above mentioned subject, please find enclosed the Annual Returns, (Form-4) along with other information as prescribed in the given format about Hazardous Waste duly filled by us.

We would like to inform you, that we are strictly following all the rules and instructions as directed by Central Pollution Control Board as well as State Pollution Control Board (CECB). At present generated used oil is being collected in drum of capacity 200 Litre and are being stored at their designated place, by adopting proper safety procedures and same is being captively used for lubrication in Roller & Belt conveyors of our plant, and if balance, is being sold to authorized agency, while generated Resin from DM plant of Power plant is also being safely collected in water filled PVC Cans and same is being utilized for energy recovery in power plant within premises. This is to inform you that at present we are operating re-heating furnace from Furnace oil hence there is no generation of Gas Cleaning residue (Tarry Residue) for the above mentioned period.

We hope that above reply will be in line of your requirement.

Thanking you

Yours Faithfully,

For, Shri Bajrang Power & Ispat Ltd., Gondwara Unit
